# Adult Day Services

**Coming Soon**

New Saturday Hours

7:30am - 4:30pm

A safe, supervised setting for frail individuals or those experiencing physical or cognitive challenges is provided. We provide opportunities to participate in current events, light exercise, arts and crafts, games and activities in a home-like setting all coordinated by a certified Activities Director. A continental breakfast, hot lunch and afternoon snack are provided. Supervision and support are provided by licensed certified nursing staff, all supervised by a Registered Nurse.
