Request for Sponsorships and Donations

The Council on Aging of St. Lucie, Inc., (COASL) is a private, non-profit 501c3 organization that provides many services to seniors in need. Our agency has been a leader in adult services in St. Lucie County since 1973. We are planning our Fall Gala ***"Denim & Diamonds: Boots Hats & Sass"*** on September 19, 2024, and would be grateful for your support.

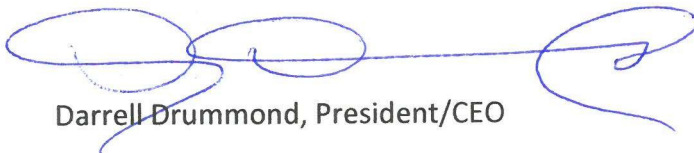

Home Health, Meals on Wheels, Adult Day Care, Respite for caregivers, and recreational wellness activities for lonely seniors are just a few of the services we provide. We work with families of all income levels to provide the care their senior needs.

We strive to keep seniors independent with the best quality of life. We have been helping seniors for over 50 years, and we currently serve over 20,000 seniors in the area. We are seeking donations from members of the community so you can help us expand our cost-effective services to more seniors in St. Lucie County. Your support helps delay premature placement of senior into long term care facilities and to remain independent in their own homes. A contribution towards Council on Aging is a contribution towards the health and happiness of the seniors of St. Lucie County.

To learn more about COASL, please visit our website at www.coasl.com. If you have any questions, please contact our Outreach Department at 772-336-8608 ext. 130.

Thank you in advance for your generous support!

Sincerely,

Darrell Drummond, President/CEO
